It's for those that wish to use their main account for marketing and continue to receive up to a 5 level payout plus have a supplemental account for Farmer's Market discounts..

Power team members will pay a single monthly fee of \$19.95 and you will automatically be put into the marketing rotator..

In choosing this option, you would pay Full Retail prices in the Farmer's Market, however, if you would like to take advantage of the additional Farmer's Market discounts offered with the New Memberships, here is an alternative for you:

STEP ONE:

If you would like to become a "POWER TEAM MEMBER" Login to your OA backoffice..

From the top "Menu Bar" click on "My Account" "Upgrade Account" there you will have a choice from the drop down menu of..

Organic Acres Member
Power Team Member
Bronze Subscriber
Silver Subscriber
Gold Subscriber
Platinum Subscriber

If the Upgrade drop down doesn't include these, try the "Downgrade Account" link..

Choose the "Power Team Member" option and complete the instructions..Once you've done this..

STEP TWO:

Create a new account using YOUR affiliate /referral link, which can be found by:

Going to the top "Menu Bar" in your OA backoffice.. click "My Website" "Manage Website" , there you will find your referral link/website address...Click on that and this will take you to YOUR replicated site, your name will be at the top left as Hosted by. Make sure you verify your name is there and not someones else's to be sure it's working properly..

Click the Register Now link and be sure to use a different email address..NOT the same one as your Main account. You can make a new email through gmail or yahoo. What you are doing is setting up a new account under yourself and YOU will get paid under your New subscription.

Once you've set up this new account, choose the subscription membership of your choice.

Before you can order anything, you will first need to register for the Farmer's Market with this new account..

<http://support.gpcoffice.com/index.php?action=kb&article=192>

You will then need to contact Jerry Howard at clubjava7@gmail.com with your site id# and membership choice to let him know you've done this, so he can put credits into your Farmer's Market backoffice..

NOTE: If you don't want to change from your existing membership, that's fine, you will continue to receive commissions up to 5 levels of your downline and get a flat 10% off anything in the farmer's market. This is just an option for you to continue to get your 5 level payout plus up to 40% off the Farmer's Market items.. If you choose one of the New membership levels, you get paid on 1 level only. Organic Acres Garden Lease Agreement

This is a copy of the Old Garden Lease Agreement. In all likelihood it still applies, if you have any questions, please contact management..

<http://support.gpcoffice.com/index.php?action=kb&article=210>

1. Leased Premises; Term of Lease; etc;

1.1 Leased Premises. Landlord leases to Gardener from Landlord, the Garden (full or half) located at: Oregon USA.

1.2 Original Term. This Lease shall commence immediately and, unless sooner terminated pursuant to law or pursuant to any of the terms hereof, shall expire one year from the first monthly maintenance fee payment.

1.3 Renewal Term. Gardener shall have the right, exercisable as hereinafter provided, to extend the term of this Lease for one successive period of one year upon the same covenants, terms and conditions as those provided in the Lease for the Lease Term. If Gardener desires to preserve the right to extend the Lease Term for a Renewal Term, Gardener shall give Landlord a notice no later than 30 days before the end of the Lease Term.

1.4 Use of Premises. Gardener shall use the Premises as a vegetable garden only, and for no other purpose. The Premises shall not be used to carry on any type of business or trade, unless Gardener has received the prior written consent of the Landlord. Gardener will comply with all laws, rules, ordinances, statutes and orders regarding the use of the Premises.

1.5 Inspection of Premises. Gardener or Gardener's agent has the right to inspect the Premises, the fixtures, the grounds, building and improvements and acknowledges that the Premises are in good and acceptable condition for gardening.

2. Monthly Maintenance Payments;

2.1 Monthly Maintenance fees. Gardener shall pay to Landlord during the Lease Term as Monthly Maintenance fees, for the Garden the amount as stated upon purchasing the garden site each month in advance on the prescribed day of each month.

2.2 Manner of Payment. The Monthly Maintenance, and all other sums payable by Gardener to Landlord under this Lease, shall be payable in lawful money of the United States of America and shall be paid to Landlord and Landlord's website address, or at any other address designated by Landlord.

2.3 Late Fees. If any amounts due under the Lease are more than 30 days late, Gardener agrees to pay a late fee of \$10.

2.4 Insufficient Funds. Gardener agrees to pay the charge of \$25 for each check provided by Gardener to Landlord that is returned to Landlord for lack of sufficient funds.

3. Lease Deposit;

3.1 Lease Deposit. On execution of this Lease, Gardener shall deposit with Landlord a lease deposit equal to the lease cost signified on the website at the time of upgrade as security for the performance of Gardener's obligations under this Lease. Landlord may (but shall have no obligation to) use the Deposit or any part thereof to cure any breach or default of Gardener under this Lease, or to compensate Landlord for any damage as it incurs as a result of Gardener's failure to perform any of Gardener's obligations hereunder. Landlord is not limited to the Deposit to recoup damage costs, and Gardener remains liable for any balance. Gardener shall not apply or deduct any portion of the Deposit from any month's Monthly Maintenance fees, including the last month of the Monthly Maintenance fees. Gardener shall not use or apply the Deposit in lieu of payment of Monthly Maintenance fees. If Gardener breaches any terms or conditions of this Lease, Gardener shall forfeit the Lease Deposit, as permitted by law.

4. Default;

1 Event of Default. If Gardener defaults in fulfilling any of the covenants of this Lease, Gardener shall be in default of this Lease. Then, in any one or more of such events, subject to any statute, ordinance or law to the contrary, and upon Landlord serving a written thirty (30) days e mail notice

upon Gardener specifying the nature of said default and upon the expiration of said thirty (30) days, if Gardener does not cure a default of which he has been notified, or if the default cannot be completely cured or remedied in thirty (30) days, Landlord may at Landlord's option: (i) cure such default and add the cost of such cure to Gardener's financial obligations under the Lease; or (ii) declare Gardener in default and terminate the Lease.

4.2 Physical Remedies. If the notice provided for in Section 4.1 has been given, and the term shall expire as noted, or if Gardener shall make default in the payment of Monthly Maintenance fees then Landlord may without notice, as permitted by law, re-lease the Garden or otherwise, dispossess Gardener by summary proceedings or otherwise. Gardener hereby waives the service of notice of intention to re-lease or institute legal proceedings to that end.

4.3 Financial Remedies. In the event of any default, re-lease, expiration and/or dispossession by summary proceedings or otherwise, (i) the Monthly Maintenance fees, shall become due thereupon and be paid up to the time of such re-lease, dispossession or expiration, together with such expenses Landlord may incur for legal expenses, attorneys' fees, brokerage, and/or putting the Garden in good order; (ii) Landlord may re-let the Garden or any part or parts thereof; and/or (iii) Gardener shall also pay Landlord liquidated damages for his failure to observe and perform the covenants in this Lease. Landlord may, at his sole option, hold Gardener liable for any difference between the Monthly Maintenance fees, payable under this Lease during the balance of the Lease Term, and any Monthly Maintenance fees, paid by a successive Gardener if the garden is re-let. In the event that after default by Gardener Landlord is unable to re-let the Premises during any remaining term of this Lease, Landlord may at his option hold Gardener liable for the balance of the unpaid Monthly Maintenance fees, under the Lease for the remainder of the Lease Term.

5. Crop Disbursement;

5.1 Crop Disbursement. Landlord covenants and agrees with Gardener that upon Gardener paying Monthly Maintenance fees and observing and performing all of the terms, covenants and conditions on Gardener's part to be observed and performed under this Lease, Gardener may ship or pick up all crops grown in or pertaining to the garden, subject nonetheless to the terms and conditions of this Lease.

6. Assignment and Subletting;

6.1 Assignment. Gardener expressly covenants that it shall not assign or sublease any interest in this Lease without prior e-mail consent of the Landlord, which consent shall not be unreasonably withheld. Any assignment or sublease without Landlord's e-mail prior consent shall, at Landlord's option, terminate this Lease. No assignment, sub leasing, or collection shall be deemed a waiver of the provisions of this Lease, the acceptance of the assignee, under Gardener, as Gardener, or a release of Gardener from the further performance by Gardener of covenants on the part of Gardener in this Lease.

7. Abandonment;

7.1 Abandonment. If at any time during the term of this Lease Gardener abandons the Garden or maintenance fees or any part thereof, Landlord may at his option obtain possession of the Garden by any legal means without liability to Gardener and may, at Landlord's option, terminate the Lease, re lease the garden or take control of all crops in the garden. Abandonment is defined as failure to pay the monthly maintenance fees. If Gardener abandons the Premises while the Monthly Maintenance fees is outstanding for more than 30 days and there is no reasonable evidence that Gardener is willing to continue the maintenance fees, Landlord may at Landlord's option terminate this Lease and regain possession of the crops from said garden and dispose of them as they see fit in the manner prescribed by law and Landlord is hereby relieved of all liability for doing so.

8. No Other Representations, Construction; Governing Law; Consents;

8.1 No Other Representations. Gardener expressly acknowledges and agrees that Landlord has not made and is not making, and Gardener, in executing and delivering this Lease, is not relying upon, any warranties, representations, promises or statements, except to the extent that they are expressly set forth in this Lease. It is understood and agreed that all understandings and agreements heretofore had between the parties are merged into this Lease, which alone fully and completely expresses their agreements.

8.2 Construction and Serviceability. If any of the provisions of this Lease, or the application thereof to any person or circumstances, shall, to any extent, be held invalid or unenforceable for any reason, the remainder of this Lease, or the application of such provision or provisions to persons or circumstances other than those as to whom or which it is held invalid or unenforceable shall not be

affected thereby, and every provision of this lease shall be valid and enforceable to the fullest extent permitted by law. If any provision of this Lease is deemed invalid or unenforceable by any court of competent jurisdiction, and if limiting such provision would make the provision valid, then such provision shall be deemed to be construed as so limited.

8.3 Governing Law. This Lease shall be governed in all respects by, and construed in accordance, with the laws of the State of Oregon.

9. Parties Bound;

9.1 Binding Effect. The covenants and conditions contained in the Lease shall apply to and bind the Parties and the heirs, legal representatives, successors and permitted assigns of the Parties.

9.2 Exception. The obligations of Landlord under this Lease shall not be binding upon Landlord named herein with respect to any period subsequent to the transfer of his interest in the Gardens as owner or lessee thereof, and in event of such transfer said obligations shall thereafter be binding upon each transferee of the interest of Landlord.

10. Miscellaneous;

10.1 Entire Agreement. This Lease contains all of the understandings relating to the leasing of the Premises and the Landlord's obligations in connection therewith and neither the Landlord nor any agent or representative of the Landlord has made or is making, and the Gardener in executing and delivering this Lease is not relying upon, any warranties, representations, promises or statements whatsoever, except to the extent expressly set forth in this Lease. All understandings and agreements, if any, heretofore had between the parties are merged in this Lease, which alone fully and completely expresses the agreement of the parties. This Lease may be modified in writing and must be signed by both Landlord and Gardener.

10.2 No Waiver. The failure of either party to insist in any instance upon the strict keeping, observance or performance of any provision of this Lease or to exercise any election in this Lease shall not be construed as a waiver or relinquishment for the future of such provision, but the same shall continue and remain in full force and effect. No waiver or modification by either party of any provision of this Lease shall be deemed to have been made unless expressed in writing and signed by the party to be charged. The receipt and retention by the Landlord of Monthly Maintenance fees, with knowledge of the breach of any provision of this Lease shall not be deemed a waiver of such breach.

10.3 Cumulative Rights. Landlord's and Gardener's rights under this Lease are cumulative, and shall not be construed as exclusive of each other unless otherwise required by law.

10.4 Indemnification. To the extent permitted by law, Gardener will indemnify and hold Landlord and Landlord's property, including the Gardens, free and harmless from any and all liability for loss, claims, injury to or death of any person, including Gardener, or for damage to property arising from Gardener's use and occupation of the Garden, or from the acts or omissions of any person or persons, including Gardener, in or about the Garden with Gardener's express or implied consent, except Landlord's act or negligence.

10.5 Legal Fees. In the event of any legal action by the parties arising out of this Lease, the losing party shall pay the prevailing party's reasonable attorneys fees and costs in addition, to all other awarded relief.

Moolala Coupon Holders - LOOK HERE

[Update from the November 2nd, 2011 meeting -](#)

This is an email that will be sent to all Moolala voucher holders from Organic Acres:

For those of you who have been waiting patiently for a package of produce let me apologize first for the lack of communication and second let me apologize that you haven't received your package. As most of you know we had a delay in planting because of the weather. Then about the middle of July when the weather began to work

with us we were able to ship over 700 packages to Moolala coupon holders as well as hundreds of packages to our established customers.

However because of the delay in shipping, Moolala chose to withhold future payments to us. We have been in negotiations with Moolala ever since to see if we could solve the impasse. We held off communicating with you because we have been hoping to settle this problem and start shipping again as we now have thousands of pounds of fresh produce available. But we are at a place in time where the two sides have chosen to part ways.

The money you paid for our products went to Moolala and not to us, so Moolala has chosen to refund your money. If you click this link you will be directed to Moolala's web page that will explain how to get your refund.
<http://support.moolala.com/entries/20521201-update-on-organic-acres>

Let me again apologize for the lack of communication but until we could come to some agreement there was nothing that we could tell you. After you receive your refund from Moolala if you are interested we will send you in the next few weeks e-mails outlining new and even better deals than you had with the Moolala coupon. We understand that this has been an ordeal for most of you and for that we are sorry, so we are going to try to make it up to you but if you would rather not be bothered we can understand that also.

If you would rather not hear from us all you need to do is click here to be removed from our database but if you would like to see what we have planned for the future just check your back office and look for new e-mails from us. Thank you for your patience and understanding.

NOTE: Should you be interested in what's new with Organic Acres we'd love to have you join us in our weekly live meetings!

Here is how to attend:

Pioneers

Are you always a Pioneer if you pay your maintenance fees for that first full year, then decide to downgrade the next?

Yes, once you meet that first year commitment, you will always be a Pioneer as long as you remain an upgraded Member.

Should you downgrade to a Free Member, you will lose your Pioneer Position..

How does the Pioneer Program work?

As we kick off what may prove to be the Farms of the Future, we are going to allow the pioneers that start with us to share in the future profits. We are providing 15% of all future profits in the company to those first signers.

Here is how it works:

1. The first 1,000 members that complete a 48 Harvest Fresh Box Garden will equally and annually split 4% of all company profits.
2. The first 2,000 members that complete a 36 Harvest Fresh Box Garden equally and annually split 4% of all company profits.
3. The first 2,000 members that complete a 24 Harvest Fresh Box Garden will equally and annually split 3% of all company profits!
4. The first 2,000 members that complete a 30 box Harvest Fresh Herb Garden will equally and annually split 2% of all company profits.
5. The first 2,000 auto ship Harvest Fresh members that complete 1 year will equally and annually split 2% of all company profits.

You must meet the 12 month requirement for all leases/memberships to become a Pioneer..if you decide to drop out before your 1 year commitment, you will lose your Pioneer position.

How does the Pioneer Rebates work?

30 Box Herb Garden

Your 30 Box Herb Garden price is \$149.95. We give you a rebate for \$150. That rebate is worth \$150 when one of three things happen

1. When you sub-lease your garden to someone.

You can keep the rebate for yourself for next year or use it for a bargaining chip to get a higher price when you give it to the sub leaser.

2. If you decide to let us sub lease your garden and we do you will receive a cash rebate of \$150 once the sub lease is completed.

3. Or after you have finished your Garden year you decide to re-lease a garden next year you will receive \$150 off the full garden price which all new garden owners will pay \$299.95 making your price only \$149.95.

We say you get the lease for free because assuming you use the rebate in one of the above ways you will get \$150 in cash or discounts.

Your 24 Box Vegetable/Herb Garden

Your 30 Box Herb Garden price is \$199.95. We give you a rebate for \$200. That rebate is worth \$200 when one of three things happen

2. If you decide to let us sub lease your garden and we do you will receive a cash rebate of \$200 once the sub lease is completed.

3. Or after you have finished your Garden year you decide to re-lease a garden next year you will receive \$200 off the full garden price which all new garden owners will pay \$399.95 making your price only \$199.95.

We say you get the lease for free because assuming you use the rebate in one of the above ways you will get \$300 in cash or discounts.

What is the marketing rotator?

This is an optional service to those who don't have the time, know how or who would want additional resources to market their organic acres website.

The company uses your monthly payment to buy advertising for you in many venues.

Everyone that is in the rotator is cycled through, much like a ferris wheel. One members site shows one time, then it drops to the next members, etc. till it's cycled through and starts all over again.

Once you have paid and emailed your user ID#, you will be put into the rotator.

From the main site:

Once you have paid your fifty dollars you need to send an e mail to admin@myorganicacres.com to let me know your ID# so we can set you up on the rotator.

You will be set up on recurring billing, to cancel--> e-mail billing@myorganicacres.com with --> Cancel Rotator in the subject line.

You can check your stats by logging into your OA backoffice by:

Clicking on "My Website" from the upper menu bar.

In the drop down box select --> "Website Visits Statistics" then click on "Unique Hits & Footprints".

This will show you how many hits you have received and on what date.

What is a Power Team Member?

It's for those that wish to use their main account for marketing and continue to receive up to a 5 level payout plus have a supplemental account for Farmer's Market discounts..

Power team members will pay a single monthly fee of \$19.95 and you will automatically be put into the marketing rotator..

In choosing this option, you would pay Full Retail prices in the Farmer's Market, however, if you would like to take advantage of the additional Farmer's Market discounts offered with the New Memberships, here is an alternative for you:

STEP ONE:

If you would like to become a "POWER TEAM MEMBER" Login to your OA backoffice..

From the top "Menu Bar" click on "My Account" "Upgrade Account" there you will have a choice from the drop down menu of..

Organic Acres Member
Power Team Member
Bronze Subscriber
Silver Subscriber

Gold Subscriber
Platinum Subscriber

If the Upgrade drop down doesn't include these, try the "Downgrade Account" link..

Choose the "Power Team Member" option and complete the instructions..Once you've done this..

STEP TWO:

Create a new account using YOUR affiliate /referral link, which can be found by:

Going to the top "Menu Bar" in your OA backoffice.. click "My Website" "Manage Website" , there you will find your referral link/website address...Click on that and this will take you to YOUR replicated site, your name will be at the top left as Hosted by. Make sure you verify your name is there and not someones else's to be sure it's working properly..

Click the Register Now link and be sure to use a different email address..NOT the same one as your Main account. You can make a new email through gmail or yahoo. What you are doing is setting up a new account under yourself and YOU will get paid under your New subscription.

Once you've set up this new account, choose the subscription membership of your choice.

Membership options..

<http://support.gpcoffice.com/index.php?action=kb&article=203>

Before you can order anything, you will first need to register for the Farmer's Market with this new account..

<http://support.gpcoffice.com/index.php?action=kb&article=192>

You will then need to contact Jerry Howard at clubjava7@gmail.com with your site id# and membership choice to let him know you've done this, so he can put credits into your Farmer's Market backoffice..

NOTE: If you don't want to change from your existing membership, that's fine, you will continue to receive commissions up to 5 levels of your downline and get a flat 10% off anything in the farmer's market. This is just an option for you to continue to get your 5 level payout plus up to 40% off the Farmer's Market items.. If you choose one of the New membership levels, you get paid on 1 level only. You do NOT lose your downline regardless of which way you go, you just get paid differently depending on which membership you choose..

The General Store
your source for organic and natural products.

What Happened To The General Store?

UPDATE

For months now the G.S. orders have been experiencing problems. If you've placed an order and not received it .. let Jerry know.. credits will be put back in your system ..shipping i'm told will also be reimbursed in the form of credits.

Contact Info for Jerry Howard is..clubjava7 or 11 at gmail.com.

Jerry is trying to work out these problems with the fulfillment house and when a solution is met i'm sure we'll be updated in the live meetings.. For those that don't know.. these products are not shipped from Organic Acres but a separate entity entirely.

General Store Credits will no longer be available with the New Garden/Membership options, you would order products with other payment methods once the General Store is operational again. We're told prices will be lowered and discounts of 10-20% will also be available...

NOTE: If you are an existing member under the Old Garden/Memberships from 2010 and have credits available in the General Store, you will have the choice of using your credits for merchandise, or exchange them for Harvest Fresh boxes for which you can order garden produce..sell in the Farmer's Market when it becomes available, give to the hungry or use for advertising. . Please be advised this is subject to change.. please try to attend at least some of the live meetings to keep updated on any changes.

100 credits = 3 boxes.. if you want to exchange your credits.. Please contact Jerry Howard and let him know how many.

clubjava 7 or 11 @gmail.com..

NOTE: It's uncertain when/if the General Store will be available again, so if you have credits and want to use them sooner rather than later, exchanging for Harvest Fresh boxes is your best option.

How To Attend the Meetings..
